Practice Dice Printable

A PLAYFUL WAY TO CHOOSE TONIGHT'S FOCUS

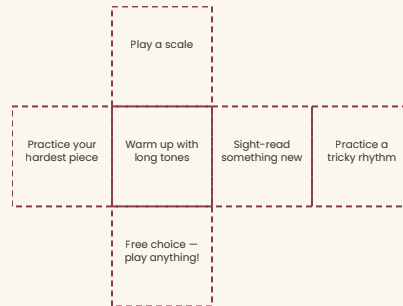

"Can't decide what to practice? Let the dice decide."

CUT, FOLD, GLUE

Build Your Practice Die

Print this page on cardstock, cut along the outer edge, fold along each line, and glue the tabs (or just tape the edges) to build a cube. Roll it at the start of practice to decide what to work on first.

Want more structure? Pair this with the Practice Bingo Board or 30-Day Challenge Calendar from the shop.

A tiny bit of randomness can make practice feel like play.
